Oak Ridge High School has created much history since the inaugural year of 1983-1984. The original Boys Basketball program set the foundation of tradition and excellence. Our desire is to revive that spirit in the upcoming years. Our student-athletes have been working hard in the classroom and on the court and we are excited about this upcoming season and the potential success that it holds.

We are reaching out to area residents and businesses with hopes of gaining financial support for the team. The support of local business helps build our sense of community and will allow our players and coaches to compete at a high level in the area, state, and eventually nation. The ultimate goal of our program is to create better young man for society, near or far, while running a successful basketball program. To do this we plan to invest in guest speakers, character development programs, training equipment, coaching development opportunities, overnight tournament travel, and community service projects among other ventures. We hope these experiences will expose our student-athletes to a greater sense of purpose in life.

There are many opportunities for you to contribute to our program. Please see the levels of opportunity below:
